Final deadline for submission to IFSHT Nominations Committee is 15 December 2021.

December 4, 2021

Dear Anne,

It is my great pleasure to confirm that Donna Breger-Stanton is an active member of the American Society of Hand Therapists. She is applying for the position of IFSHT Chair, By-Laws Committee. I have known Donna for some time, and fully support her in seeking this position.

Regards,
Diane Coker, PT, DPT, CHT
2021-2022 ASHT President
2019-2022 IFSHT Delegate

March 7, 2022

To Ann Wajon, Nominations Chair, IFSHT

From: Donna Breger Stanton, OTD, OTR/L, FAOTA

Re: Nomination for Chair, ByLaws Committee Statement of Intent

I am honored to be considered for nomination as Chair, Bylaws Committee for IFSHT for 2022-25. In my effort to illustrate my statement of intent, I have been a member of ASHT since 1981 and CHT since 1991 until 2016. I have had the opportunities to learn, review and assist in writing bylaws during my 20 years of serving on the Board of Directors for ASHT with my final positions as president elect, president (2005) and past president, during which time I was more intimately involved in the work of reviewing and approving new bylaws developed especially during my year of office as president. I have served on several committees, as well, during my tenure as a professor at Samuel Merritt University that required my involvement in reviewing and writing policy for the university. I believe I have the background and experience to be able to review with my committee to determine required updates that are deemed relevant to IFSHT as it continues to grow with changes appearing necessary and with increase in membership as well. I am proud that I am a good coordinator in committee work and able to determine positive sharing of ideas and assist in growth of committee members who may be desirous of moving forward in the board needs of IFSHT. I have the time, now to do this work. I have attended several IFSHT meetings, presented, and have come to know therapists both nationally and internationally over the years since attending my first IFSHT meeting in 1989.

To be completed by nominee's Hand Therapy Society / Association Executive Committee

Name of nominee	Katia Fournier	Contact e-mail	Katia_fournier@hotmail.com
Name of full member society supporting this nomination	British Association of Hand Therapists (BAHT)		
Name of executive committee member submitting this nomination	Hayley Smith, Chair BAHT	Contact e-mail	baht.chair@gmail.com
*IFSHT executive committee / officer position(s) nomination (tick all that apply)	<input type="radio"/> President-elect <input type="radio"/> Secretary General <input type="radio"/> Treasurer <input type="radio"/> Information Officer		
**IFSHT Standing Committee chair/member position(s) nomination (tick all that apply)	<input type="radio"/> Bylaws Committee Chair <input checked="" type="radio"/> Financial Review Committee Chair <input type="radio"/> Education Committee Co-chair (2) <input type="radio"/> Publications Committee Chair <input type="radio"/> Nominations Committee (3 members)		
Please describe briefly the leadership experience and qualifications that this nominee would bring to IFSHT	<p>This is an application for a second term in the position of Financial Review Committee Chair. Katia is familiar with the role, having been nominated in 2019. She has excellent working relationship with the existing committee. She is an occupational therapist with 23 years of experience in hand therapy. Originally from Canada, relocated in the United-Kingdom 18 years ago and teaching in Switzerland within an occupational therapy program in Lausanne, Katia has forged strong links within the international hand therapy community which is relevant to this organisation. She has experience as treasurer in the executive committee of the British Association of Hand Therapists from 2007 to 2010. Her post-graduate studies, lecturer positions and clinical lead hand therapy jobs have provided her with the leadership experience and knowledge of rigorous data analysis. She is fluent in English and French which can be an asset for an international organisation.</p>		

Nominees must be a member of an IFSHT full member society

- *Endorsement from a full member society in IFSHT is required for all nominees for an officer position on the IFSHT Executive Committee. All Executive Committee positions require election by Council.
- **Endorsement is not required for Chair or member positions on selected Standing Committees. However, this is the IFSHT preferred method for identification of potential applications for these positions. These positions also require election by Council.
- Each nominee will be contacted by the IFSHT nomination committee to provide a position statement and resume of qualifications.
- By signing this nomination, the nominee agrees to be nominated for this role.

Nomination for IFSHT Triennial term of office 2022-2025
Executive Committee Members and Chair/Members of Standing Committees

- All applications will be reviewed by the nomination committee and a final slate of nominees for all positions will be submitted to the IFSHT Executive Committee for final review by 31 January 2022.
- The final slate of nominees for all positions will be presented to the IFSHT Council no less than 90 days prior to the Triennial Congress to be held in London, UK, 6-10 June 2022.

Object : statement of intent – IFSHT nomination

I would like to express my interest to be considered for a second term as Chair of the Financial Review Committee of your organization. I believe I have the right skills and experience for this position. I have done a first mandate and believe that I contributed, along with the committee and the help of the treasurer, to significant improvements of the process of the financial review. I also have highly relevant experience as the treasurer for the British Association of Hand Therapists. I am an experienced occupational therapist with over 20 years of experience in the field of Hand Therapy in three of countries which is an asset to an international organization. I speak french and english and I am efficient with Excel and Aplos, your organization accountant software. My experience in quantitative research as well as teaching and clinical lead has enable me to develop leadership and project management skills which can only help the role of Chair of Financial Review Committee.

I hope that this has help you to assess my application. Please do not hesitate to contact me for further information.

Kind regards

Katia Fournier

Statement of Intent by Shovan Saha

If given an opportunity to be a part of the esteemed organization of IFSHT in the capacity of co-chair of Education Committee, it would be a privilege to contribute to the commendable work done by the current body and the previous bodies. I would be able to lend the perspective of hand rehabilitation from a developing nation stand point, making IFSHT experience more diverse and inclusive, empowering IFSHT to engage with varied challenges. Thereby playing my bit in further increasing the global footprint and reach of Hand Therapy.

I am hopeful that me with my experience as an academic and clinician, my organizational involvement, entrepreneurial interest, exposure to curriculum and training program development, will be able to the serve the vision and mission of IFSHT in a meaningful way.

SUBMIT nomination form to Anne Wajon at pastpresident@IFSHT.org.
Final deadline for submission to IFSHT Nominations Committee is 15 December 2021.

Meghann Berchtold Ford

Occupational Therapist

Flüelasstrasse 31 c
8048 Zurich
Switzerland
+41766815201
meghann.ford@gmail.com

Dear Ms. Wajon,

I am an Australian-trained occupational therapist currently working in the hand therapy department at the University Hospital in Zürich, Switzerland. After becoming acquainted with the IFSHT through attending conferences, writing for the Ezine magazine, and using their available hand therapy resources I am excited by the chance to apply for a position and if successful, contribute to the ongoing growth of the federation. After reading the job description for the education committee co-chair and nominations committee member I feel that I have the necessary skills and qualifications to bring value to either role. I have built up a wide network of international therapists and I feel that this as well as my experience in coordination of various projects, most recently the development and approval of a social media platform for our hand therapy team would allow me to effectively perform in either role.

After reviewing my resume, I hope that you can see my potential as a candidate for these roles.

Kind regards,
Meghann Berchtold Ford

Anne Wajon
pastpresident@IFSHT.org

Please describe briefly the leadership experience and qualifications that this nominee would bring to IFSHT	<p>Mr Hercy Li was very devoted to the development of the APFSHT ever since it was founded in 2004. He took active role in helping each member society to co-host the APFSHT together with APFSSH. He has designed the logo of the APFSHT which has been adopted as the society logo. His specialty is in the area of sports related hand injuries and chronic injuries as a result of RSI. He was elected as the president of APFSHT from 2017-2020 and he has successfully co-hosted the 2020 APFSSH and APFSHT in Melbourne, 2020.</p> <p>In addition, he has been actively attending the IFSHT conferences in the past decades and he has good connections with hand therapists world-wide.</p> <p>As a past-president, he has been conscientiously assisting the current president, Yazid, in preparation of the PFSHT to be held in Singapore in 2023.</p> <p>He should be well qualified to work in the nomination committee to review candidates.</p>		
<p>Nominees must be a member of an IFSHT full member society</p> <ul style="list-style-type: none"> • *Endorsement from a full member society in IFSHT is required for all nominees for an officer position on the IFSHT Executive Committee. IFSHT

Statement of Intent

Request to join the nomination Committee

Name : Hercy chi kong Li

Email : hercyli@gmail.com

Member Society Country : Hong Kong China

Committee of Interest : Nomination Committee

Statement of Intent :

Ever since the 7th Congress of the IFSSH held in Vancouver Canada, I am the active follower and participant of the activities and events of the IFSHT as well as the APFSHT later on. From the establishment of APFSHT in Osaka 2004, I was actively involved in the promotion of Hand Therapy in Asia Pacific region with the co-jointed efforts of Hand Therapists in different countries such as Australia, New zealand, Japan, Taiwan, Singapore, Malaysia.... . I can be the right person to nominate suitable and interested hand therapists in different specialty areas in order to facilitate the growth of hand therapy worldwide in future. I would be most delighted to accept the challenge of being one of the member of nomination committee.

Prepared by : Hercy ck Li on 3rd March 2022

Nomination for IFSHT Triennial term of office 2022-2025
Executive Committee Members and Chair/Members of Standing Committees

SUBMIT nomination form to Anne Wajon at pastpresident@IFSHT.org.

Final deadline for submission to IFSHT Nominations Committee is 15 December 2021.

IFSHT Nominations

Rosemary Prosser

I have been a hand therapist for 30 years. I became involved with the AHTA in 1984 and with the IFSHT in 1989 at the first official IFSHT Conference in Tel Aviv. During my career as a hand therapist I have been passionate about providing and striving for high standards of care and recognition of hand therapy skills both in Australia and other countries. My other area of interest has been education and dissemination of knowledge in order to empower hand therapists to provide a high standard of care.

I have been an active member in the IFSHT organization since 1989 as chair of the publishing committee, following this as Treasurer on the management committee from 1998 to 2000, and various subcommittees from 1989 to 1995, 2004 to 2010 and 2013 to 2014. From 2004 to 2007 I chaired the conference committee for the IFSHT triannual conference in Sydney. This experience has allowed me to gain a wide understanding of the IFSHT organization, both its mission and operational achievements.

In the last three years advancement has been made in organization issues, in the website, financial book keeping and other areas such as education and research. The organisation continues to grow. The challenges I see ahead are in working towards increasing our membership countries and providing education to those hand therapists who work in circumstances where education may be more difficult to access. The present Covid situation has affected all countries globally, the virtual conference has become a reality. Prior to Covid I was involved in work in Burma and Vietnam in providing educational courses and training for hand therapists. Our team hope to resume this educational training program when the Covid situation is under control.

I have also been involved in the Asian Pacific Federation of Societies for Hand Therapists (APFSHT) on the management committee from 2004 to 2009 in various executive positions. Expertise of hand therapists and their recognition has been developing slowly over the last 15 years. Difficulties in economic circumstances and differences in health care systems has made it difficult for hand therapy to develop in some circumstances.

Please describe briefly the leadership experience and qualifications that this nominee would bring to IFSHT	Daniel is a peer reviewer for the journal "Hand Therapy" and currently sits on the Editorial Board. He also is on the European Federation Societies of Hand Therapists Scientific Committee. Daniel is an Accredited Hand Therapist through BAHT and he is an active researcher, publishing over ten papers in peer-reviewed journals, presenting at conferences and has been an Academic Supervisor as part of a knowledge transfer scheme (Intertrade Ireland Fusion Programme). Daniel works as a hand therapist in an orthopaedic setting. His academic qualifications are BSc (Hons) OT and MClInRes		
<p>Nominees must be a member of an IFSHT full member society</p> <ul style="list-style-type: none"> • *Endorsement from a full member society in IFSHT is required for all nominees for an officer position on the IFSHT Executive Committee. All Executive Committee positions require election by Council. • **Endorsement is not required for Chair or member positions on selected Standing Committees. However, this is the IFSHT preferred method for identification of potential applications for these positions. These positions also require election by Council. • Each nominee will be contacted by the IFSHT nomination committee to provide a position statement and resume of qualifications. • By signing this nomination, the nominee agrees to be nominated for this role. • All applications will be reviewed by the nomination committee and a final slate of nominees for all positions will be submitted to the IFSHT Executive Committee for final review by 31 January 2022. • The final slate of nominees for all positions will be presented to the IFSHT Council no less than 90 days prior to the Triennial Congress to be held in London, UK, 6-10 June 2022. 			

By signing below, you acknowledge that you have read and understood the conditions outlined in this nomination form.

Acting Senior I Occupational Therapist (Hand Therapy), Royal Hospitals Belfast, January 2004 - October 2004

Acting Senior I Occupational Therapist (Neurosciences), Royal Hospitals Belfast, February 2002 - April 2003

Senior II Occupational Therapist (Rotational: Hand Therapy, Stroke Rehabilitation), Royal Hospitals Belfast, January 2003 - February 2005

Acting Senior II Occupational Therapist (Stroke Rehabilitation), Royal Hospitals Belfast, April 2001 - February 2002

Basic Grade Occupational Therapist (Rotational: Acute Trauma, Medicine and Surgery, Stroke Rehabilitation), Royal Hospitals Belfast, January 2000 - January 2003

EDUCATION

Master of Clinical Research, Ulster University, 2008

BSc (Hons) Occupational Therapy, Ulster University, 1999

AWARDS

Recipient of Southern Health and Social Care Trust Excellence Award under the category of Learning in Action, June 2018

Accredited Hand Therapist presented at the Royal College of Surgeons in London, October 2013

Co-recipient of Lean UK Healthcare Award for Improving Patient Experience (Pre-operative Assessment for Patients Awaiting Total Hip Replacement), February 2013

Runner up of Southern Health and Social Care Trust Excellence Award under the category of Creativity and Innovation, 2010

Co-Inventor of a template to effectively administer the Jebsen-Taylor Hand Function Test that was shortlisted for a HSC Innovations Award under the category "Diagnostics Idea of the Year", 2010

Level 5 Award in Leadership, Institute of Leadership & Management 2009

Team Member of "Seating Matters" project. We were runner-up team for Invest Northern Ireland £25K Award for new Entrepreneurs, 2005

TEACHING AND SUPERVISION

Fieldwork Educator 2005 – Present (8 students)

Mentor for trainee occupational therapist from St. Helena's Island to give her experience of occupational therapy in practice in Northern Ireland, to help establish occupational therapy on the island of St. Helena's. Placement opportunity arranged through NI.CO: www.nico.org.uk

Teaching on "Body Structures: Manual Muscle Testing" to 1st year Occupational Therapy students in Ulster University, November 2015 and November 2016

FUNDING APPLICATIONS

Grant from Intertrade Ireland Fusion Programme (£44,250) (2019)

Grant from BAHT (£10,000) towards research costs on a comparative study investigating a goniometer watch to measure forearm rotation (2018)

Grant Income for £7500 from the Southern Health and Social Care Trust Discretionary Fund (2015) to

undertake research on "A Glove to Prevent Hand Injuries in Limited Contact Sports"

Grant Income for £2000 from the Southern Health and Social Care Trust Discretionary Fund (2014) to undertake research on "The Reliability of the Original Normative Data for the Jebsen Taylor Hand Function Test"

Grant from BAHT (£500) towards expenses to present research findings at the joint International Federation for Surgery of the Hand/ International Federation for Hand Therapy, New Delhi, March (2013)

Grant Income for £150 from the Southern Health and Social Care Trust Discretionary Fund (2010) to undertake research on "A Dual Forearm Supination and Composite Finger Flexion Splint After Distal Radius Fracture".

Grant Income received from The Margaret Dawson Fund, The Barbara Penn Travel Bursary (£200 collectively), The Elizabeth Casson Fund (£100) and The Constance Owens Trust (£100), (2006), to present at World Federation of Occupational Therapists Congress in Sydney, Australia.

TRAINING

Pain Management Workshop, February 2018

BAHT Level III: Accreditation of Prior Learning, January 2013

BAHT Level II: "Splinting the Upper Extremity", December 2010

BAHT Level II: "Surgical and Therapeutic Management of Traumatic Hand Injuries", November 2009

BAHT Level II: "The Wrist", July 2008

Client Centred Goal Oriented Outcome Evaluation in OT. Harrison Associates, October 2006

Performance Management. Allied Health Professions Centre for Professional Development, April 2005

The Assessment and Treatment of the Adult Patient with a Predominance of Hypertonia. BBTA, February 2005

Therapeutic Management of the Challenges in the RA & OA Hand. Somek & Associates, December 2003

Practical Workshop in Splinting the Hand in Spinal Injuries. Somek & Associates, March 2003

Behavioural Assessment of Dysexecutive Syndrome. The Test of Everyday Attention and the Doors and People test. Thames Valley Test Company, April 2002

Splinting For Function Somek & Associates, May 2001

What is Normal Movement? BBTA, February 2000

PRESENTATIONS

Oral Conference Presentation:

Harte D, Paterson A (2018) *The fastest field sport in the world: a case report on 3-dimensional printed hurling gloves to help prevent injury*. At: Irish Hand Society Annual Meeting, Cork, Ireland.

Harte D, Paterson A (2016) *Can 3D-engineered gloves prevent hand injury in hurling? Design, biomechanical testing and player feedback*. At: 10th Triennial Congress of the International Federation for Surgery of the Hand/ International Federation for Hand Therapy, Buenos Aires, Argentina. (Accepted oral presentation - first author)

Harte D, Curran D, Hamill P, Porter-Armstrong A, Wilson L. (2013) *Can a template improve the Jebsen-Taylor Hand Function Test?* At: 9th Triennial Congress of the International Federation for Surgery of the Hand/ International Federation for Hand Therapy, New Delhi, India.

Harte D and Porter-Armstrong, A. (2011) *A dual forearm supination and composite finger flexion splint after distal radius fracture*. In: Joint Association of Occupational Therapists Ireland (AOTI) and College of Occupational Therapists Conference ("Crossing Borders"), Dundalk, Ireland.

Harte D, Curran D, Hamill P, Porter-Armstrong A, Wilson L. (2010) *The Jebsen Taylor Hand Function Test: a standardised approach*. In: Joint British Society for Surgery of the Hand and British Association of Hand Therapy 2010 Autumn Scientific Meeting, Royal College of Surgeons, London.

Harte D, Gordon, J, Shaw, M, Stinson, M and Porter-Armstrong, A. (2009) *The use of pressure and silicone in hypertrophic scar management in burns patients: a pilot randomised trial*. In: British Burns Association Study Day, Belfast, Northern Ireland.

Harte D (2008) *A new trauma and orthopaedic unit*. In: College of Occupational Therapy Specialist Section: Trauma & Orthopaedics Study Day, College of Occupational Therapists, London.

Harte D, Gordon, J, Shaw, M, Stinson, M and Porter-Armstrong, A. (2006) *A progress report on a pilot randomised controlled trial to investigate the collaborative use of pressure and silicone in reducing hypertrophic scar formation after burns*. In: World Federation of Occupational Therapists Congress in Sydney, Australia.

Poster Conference Presentation:

Harte D (2019) *A non-invasive dynamic traction orthosis for complex phalangeal fractures*. At: 11th Triennial Congress of International Federation Society for Surgery of the Hand/ International Federation Society for Hand Therapy, Berlin, Germany (Accepted poster presentation)

Casey D, **Harte D**, Wilson L (2016) *Patient satisfaction with post-operative hand therapy*. At: 10th Triennial Congress of the International Federation for Surgery of the Hand/ International Federation for Hand

Therapy, Buenos Aires, Argentina. (Accepted poster presentation - co-author)

McPhillips E, **Harte D** (2016) *Sensory re-education: an illustration of evidence-based treatment approaches*. At: 10th Triennial Congress of the International Federation for Surgery of the Hand/ International Federation for Hand Therapy, Buenos Aires, Argentina. (Accepted poster presentation - co-author)

Salt B, **Harte D** (2016) *Health promotion in hand therapy*. At: 10th Triennial Congress of the International Federation for Surgery of the Hand/ International Federation for Hand Therapy, Buenos Aires, Argentina. (Accepted poster presentation - co-author)

Harte D, Lewis S (2013) *Patient satisfaction with a pre-operative education group before a total hip arthroplasty*. At: 2nd International Allied Health Professions Conference, Edinburgh, Scotland

Other Presentations:

2018: Presentation to Public Interest in Enhancing Research (PIER) Public Health Agency, April: "The Clinician as Researcher: Ideas, Implementation and Impact".

2017: Presentation at Southern Health and Social Care Trust Quality Improvement Event, August: "The Clinician as Researcher: Ideas, Implementation and Impact".

2017: Presentation to Occupational Therapy Special Interest Group in Hands (OTSIGH) on "Can 3D-engineered gloves prevent hand injury in hurling? Design, biomechanical testing and player feedback." and "Incorporating different learning styles into a home exercise program".

2015: Presentation at the Launch of the Southern Health and Social Care Trust Research Strategy, November: "The Clinician as Researcher: Ideas, Implementation and Impact".

2013: Presentation at Physiotherapy Orthopaedic Update Day, Southern Health and Social Care Trust, July: "Management of Lateral Epicondylitis"

2013: Presentation to Occupational Therapy Special Interest Group in Hands (OTSIGH) on "Outcome Measures in Hand Therapy"

2012: Poster Presentation at Occupational Therapy Best Practice Day, Stormont Belfast: "Stimulating Research Activity in Occupational Therapy"

2011: Paper Presentation at the OT SHSCT Research Group Presentation Day on "A Dual Forearm Supination and Composite Finger Flexion Splint After Distal Radius Fracture"

2011: Presentation to Research Governance Committee for the Southern Health and Social Care Trust on the background to "The Jebsen Taylor Hand Function Test: A Standardised Approach".

2011: Presentation to Occupational Therapy Special Interest Group in Hands (OTSIGH) on "Graded Motor Imagery"

2008: Presentation to Occupational Therapy Special Interest Group in Hands (OTSIGH) on "Metacarpal Fractures"

ORGANISATION/ RESEARCH GROUP MEMBERSHIP

Appointed to Royal College of Occupational Therapists Research and Development Board, June 2018

Regular peer reviewer for *Hand Therapy*, the official journal of the British Association of Hand Therapists

Scientific Reviewer for the International Federation Society of Hand Therapists 2019 Congress in Berlin June 2019

Member of International Federation Society of Hand Therapists Evaluation Committee for the Cristina Alegri Award to presented to an innovative therapist at the 2019 IFSHT/ IFSSH Congress in Berlin June 2019

Chair of focus group tasked by Regional Occupational Therapy Managers Committee to complete regional guidelines on trauma and orthopaedic conditions for occupational therapists, February 2016

Northern Ireland Representative and served on the National Executive Committee for The College of Occupational Therapists Specialist Section - Trauma & Orthopaedics. Regionally, organised study evenings on current aspects of occupational therapy practice in trauma and orthopaedics. October 2007 - 2010

Regional Occupational Therapy representative on "The Prevention and Management of Fragility Fractures in Northern Ireland: Report of the Fragility Fracture Working Group". A report compiled by the Health and Social Care Trusts in Northern Ireland

Member of the British Association of Hand Therapists 2008 - Present

Member of the British Association of Occupational Therapists, 1995 - Present
